MCG Tours & Australian Sport Museum

Give your guests a thrill and take them on a guided tour behind the scenes of the MCG or visit the Australian Sports Museum. Guided tours take in the key highlights of the iconic MCG, exploring areas such as the famous Long Room, player change rooms, and a walk on the arena edge (subject to availability).

The Australian Sports Museum isn't your typical museum. Following a \$17 million upgrade, it's an exciting, interactive and ever-changing experience. From touch screens and avatars, to climbable walls and sporting challenges, there will be so much to experience at the new Australian Sports Museum.

To add to the experience of the Australian Sports Museum, EPICURE can now exclusively host your next event; a dinner of 30 to 80 guests, or a networking cocktail event for up to 600 guests.

These additional activities, together with EPICURE's award-winning catering expertise will give your guests an unforgettable experience at the MCG.
