

AUSTRALIAN SPORTS MUSEUM

BEFORE YOU VISIT VIT CARD

Teachers gain free admission to the Australian Sports Museum upon presentation of a VIT card only if visiting for research and reconnaissance purposes.

TRANSPORT

COACH

The drop off zone and turning circle are located at the corner of Jolimont Terrace and Jolimont Street. As this is not a parking zone, buses will need to move to street parking after drop off.

TRAIN

Gate 3 of the MCG is accessible from Jolimont and Richmond stations.

TRAM

Route numbers 75 and 48 all stop near Jolimont station.

SELF-GUIDED

The Australian Sports Museum is an interactive, self-guided experience. Learning Resources will be available on-line from the end of February.

SWEATBANDS

The Australian Sports Museum is a fully interactive experience. On entry, we give all our visitors a digitally enabled sweatband to interact with our exhibits. Inside each sweatband is a code that visitors can enter on our website to access a personalised record of their activity within the museum. Students and teachers can also access an overview of the activity of their whole group. The sweatbands are yours to keep as a souvenir of your visit.

ACCESS

The museum is fully accessible by lift. Accessible toilets are located at Gate 3 and within the museum. Autism friendly resources will be available on-line from the start of March.

TEACHER RATIO

1 teacher with duty of care per 10 students. The teacher retains duty of care and responsibility for behaviour of students.
