

E-LEARNING RESOURCE

PRIMARY

*Let your students experience the Australian Sports Museum
virtually with our online activities.*

1 MASCOT MAYHEM

Match the national sporting team with their nickname. Do some research in books and on the computer to find more examples.

Why do you think the team chose this name?

ORIENTEERING

STINGERS

QUIDDITCH

STEELERS

WHEELCHAIR RUGBY

DROP BEARS

WOMEN'S WATER POLO

JILLAROOS

WOMEN'S RUGBY UNION

BOOMERANGS

2

STRIKE A POSE!

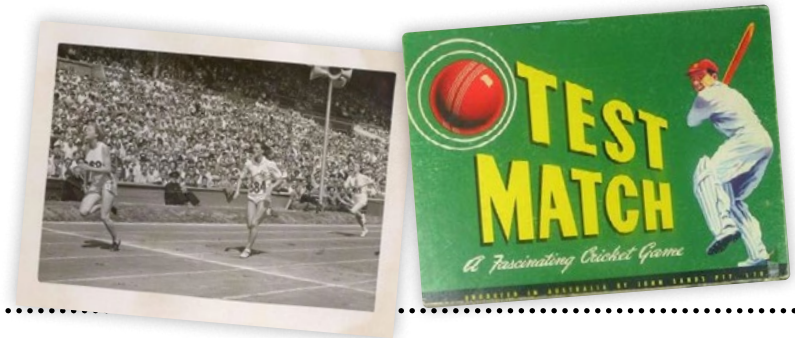

Find a painting or photograph in our online collection. Now find a handful of items in your home and recreate the image! Paste the two images side by side in a document and share the image with your class. Google [#betweenartandquarantine](#) to find examples of this global [#stayathome](#) challenge!

3

OLDER THAN ME!

Explore our online collections and pick an object that is older than you are. Are objects like this still used today? How have they changed? Write your answer and share with your teacher.

GO TO ONLINE COLLECTIONS >>

4 DESIGN A STADIUM

Can you build the MCG with materials from home? You could use a range of materials. For example: Lego, twigs, wood, cards, clay or you could even design it on the computer. Share your stadium with us using the hashtag [#IsoMCG](#).

5 FAMILY FOLKLORE

Interview someone in your family about the role of sports in their life. Talk to them in person, on the phone, or over video chat. Start by writing down some questions before you interview them. Write down their answers, or even better, get their permission to make an audio or video recording of your chat.

Now compare your notes with someone in your class.
