# MCC HERITAGE COLLECTIONS IMAGE REQUEST

Melbourne Cricket Club

Club Services and Heritage Department

I declare that:

- I would like to order the image(s) listed above and agree to abide by the terms and conditions set by the Melbourne Cricket Club (MCC).
- I require the copy/copies described on this form for the purpose of (tick/circle as applicable):
  - research or study ; AND/OR
  - publication
- I will make further application to the MCC as necessary if further use of the material is intended.
- I understand that if the material is in copyright, that only 10% of the whole work can be reproduced by the MCC and provided for private research purposes only.
- I understand that permission may be withdrawn at any time if any part of these conditions is infringed and that I shall be liable to indemnify the MCC for any loss which it suffers because of such infringement.
- If I have indicated above that I require the image(s) for publication and
  - I will not, without the consent of the MCC, further reproduce nor allow others to reproduce copies of any of the images cited above for any purpose other than that specified.
  - I undertake to include in the publication full acknowledgement of MCC as the source of the items described on this application and to give the full accession number of the work.
  - I undertake to respect the moral rights of the creator and donor/lender of the material by correctly and adequately acknowledging reproduced material with captions and credit lines provided by the MCC (on page 2 of this document), and by giving due consideration for the creator's honour and reputation.
  - Where the MCC does not own all rights, I am fully responsible for compliance with copyright and all other rights which relate solely to the use of the image/s described above.
  - I undertake to supply the final proofs for the approved end-use, for approval by the MCC.
  - I will deposit with the MCC Collections, a copy of any work written or relevant part thereof or online URL, which quotes material from the MCC Collections or which is in any way dependent on the MCC Collections.
